MYSORE.

Dear Sir,

I cameto understand that a Parsi Lady Banoobai Edulji Bharucha is serving in your State as a Music Teacher to H.H.The Maharani of Mysore. She is my wife. One day I blamed her owing to loose conduct and she ran away from my protection 14 years ago. I shall be highly obliged if you will let me know Privately on what Pay & Agreement she is serving in your State, because I have opened a case against her (145) (R) Bombay Matrimonial High Court for my divorce. For God sake have mercy on such poor husband and furnish me this information privately for the Court. Please don't let come to know this matter to any other person.

Please excuse me for tresspassing upon your valuable time,also let me know her present address where she is staying.

Thanking you in anticipation,

Yours faithfully,

Ruttonji Rustomji
